• 4 Year Program

Branches

• Data Science & Applications

• Electronic Systems

12th with 50 Percent Marks

12th PCM with 50 Percent Marks

Admission: IIT Madras Qualifier Test

1. Preparation Conducted by IIT Madras

- IIT Madras itself provides the preparation materials and classes for the Qualifier Test. No need for separate coaching.

2. Distinct Syllabus

- The syllabus does not include Class 11 and 12 Physics, Chemistry, and Mathematics.
- The test follows a unique curriculum, different from JEE.

3. Simple IIT-Type Study Pattern

- The test follows a structured academic approach. Designed to be stress-free compared to traditional JEE entrance exam.

4. No All India Ranking System

- Admissions are not based on national-level ranking.
- Selection is solely based on individual performance.

5. Re-Attempt Opportunity

- Candidates can retake the test just 15 days after the first result.

6. Admission Criteria

- A minimum score of 50% (in Qualifier Test) is required to secure admission.

Students eligible for JEE Advanced qualify for direct admission.

Program Fee: As per IIT Fee Structure (upto 100% Scholarship Options)
